AT WHICH SCHOOL WOULD YOU LIKE TO RECEIVE YOUR "OFFICIAL" RECOGNITION? _____

Each time you are in school, please enter the hours you have donated that day. Round to the nearest 0.5 hour. Also include any time you have spent at home working on a committee project, cooking or baking, any school related volunteer time including PTA meetings. We try to accurately total your hours each year and communicate with other schools in our feeder patterns, however, the system is not perfect. Sometime this year we will be posting your cumulative volunteer hours. If you feel your cumulative total is incorrect, please let us know. Thanks for the time and talent you are sharing with Monocacy Middle School.
