

# MONOCACY MIDDLE VOLUNTEER PROGRAM

We welcome your help at the school in a variety of ways. Despite what your middle school child may tell you, there is a place for you at Monocacy Middle either on a regular or occasional basis. In middle school most of the volunteer opportunities are not in the classroom. Please look over the list below and check those activities that interest you. Either the volunteer chairperson or the committee chairperson will contact you as events arise. Return this form to your child's ELT teacher as soon as possible. Thank you for volunteering your time.
